2026 MONOPOLY[®] Game At McDonald's Official Rules

(the “**Official Rules**”)

No purchase is necessary to play or win a prize. A purchase will not improve chances of winning. To participate in the Game (defined below) and claim any prize won, eligible participants must have or download the McDonald's app (the “**McDonald's App**”), opt in to MyMcDonald's Rewards, register for the Game in the McDonald's App and complete all of the other Participation Requirements described in **Rule 3** below.

Each winner (and any minor winner's parent or legal guardian for themselves and on behalf of the minor) may be required to participate in the prize fulfillment process and sign documentation, such as a release, as more fully detailed below.

By participating, you (and, if you are an Eligible Minor as defined in **Rule 2**, your parent or legal guardian) unconditionally accept and agree to comply with and abide by these Official Rules and the decisions of Sponsor (defined in **Rule 1**), which shall be final and binding with respect to all aspects of the Game. These Official Rules are a contract. Without limitation, this contract includes a limitation of your rights and remedies. As more fully detailed below, you agree that all disputes associated with the Game will be decided by binding arbitration and you and Sponsor hereby waive the right to assert claims in any class or representative action (refer to **Rule 14**).

Rule 1. Game Overview.

2026 Monopoly Game At McDonald's (the “**Game**”) is sponsored by McDonald's USA, LLC (“**Sponsor**”). During the Game Period (defined below), eligible participants (each, a “**Participant**” or “**you**”) can win food (a “**Food Prize**”) or MyMcDonald's Rewards Points with a winning Game Piece (defined below), try to collect sets of Monopoly properties to win prizes in the Collect to Win portion of the Game and play for a chance to win other prizes in the instant-win “**Chance Card Game**” in the McDonald's App. Refer to **Rule 2** and **Rule 7.C.** for full eligibility details.

To play the Game during the Game Period, obtain a Game Piece by purchasing an Eligible Menu Item (while supplies last). Refer to **Rule 4.A.(1)** for a description of Eligible Menu Items that include a Game Piece. **You can also obtain a Game Piece without a purchase by following the instructions in Rule 4.A.(2)** below (while supplies last). You can earn a bonus Chance Card Game play (defined below) for each Eligible Menu Item ordered (during the Game Period, while supplies last) via Mobile Order & Pay (pickup or delivery) or when using your MyMcDonald's Rewards code while ordering – **but ONLY IF you register for the Game in the McDonald's App before ordering.** A bonus Chance Card Game play is valid for one play in the Chance Card Game and will be automatically added to your My Game Account (defined below).

Once you have a Game Piece, peel it, register for the Game in the McDonald's App (if you are not already registered) and use the McDonald's App to scan or enter the Game Code (defined below) on your Game Piece and thereby claim any property collected, prize won or Chance Card Game play, all by the dates

detailed below. You may scan/enter the Game Codes for up to eight Game Pieces in your My Game Account each Day (measured in Eastern Time and defined below).

Once you scan/enter a Code for a Chance Card Game play, you will be taken to the “Chance” section within the McDonald’s App; then, follow any instructions to complete the Chance Card Game play. (Note that the “play” animated experience(s) presented will not determine whether you win a prize; all prizes in the Chance Card Game are time seeded and winning is determined by what time you begin a play.) You may play the Chance Card Game up to eight times per Day. Unused plays in the Chance Card Game may be played on subsequent days (up to eight per day) until 11:59:59 p.m. LT (defined below) on November 8, 2026.

Refer to **Rule 3** below in these Official Rules for full instructions on how to download and use the McDonald’s App for this Game.

Except as otherwise specifically stated in these Official Rules, all times mentioned in these Official Rules are local time (“**Local Time**” or “**LT**”), which refers to the time of day at the location of a particular Participant in the Territory. The “**Game Period**” begins on October 6, 2026, at 12:00:00 a.m. LT and ends at 11:59:59 p.m. LT on November 1, 2026, while Game Pieces last. (Eligible Participants will have the opportunity to pre-register to play the Game as early as September 22, 2026. However, game play (“**Game Play**”) does not start until the Game Period begins.) Earning of bonus Chance Card Game plays on qualifying purchases (as described in **Rule 4.B.**) is also available only during the Game Period. Game Pieces available on packaging for Eligible Menu Items (listed in **Rule 4.A.(1)**) that are not distributed before the end of the Game Period may continue to be distributed until exhausted or 11:59:59 p.m. LT on November 22, 2026 (whichever occurs first). Participants who receive a Game Piece after the Game Period may continue to scan/enter Game Codes from Game Pieces in the McDonald’s App to claim prizes and collect Monopoly property pieces (and, if applicable, claim any prizes potentially won) until 11:59:59 p.m. LT on November 22, 2026.

The Chance Card Game ends at 11:59:59 p.m. LT on November 8, 2026.

As described above, you may scan/enter up to eight Game Codes from Game Pieces into your My Game Account per Day and may play the Chance Card Game up to eight times per Day (“**Daily Limit**”). Please note that, unlike other aspects of Game play, for these purposes a “**Day**” is measured in Eastern Time (“**ET**”) and is defined as a 24-hour period from 12:00:00 a.m. ET to 11:59:59 p.m. ET.

The clock for the server(s) hosting the Monopoly Game within the McDonald’s App will be the official timekeeper for the purposes of this Game.

Rule 2. Who Can Play/Win.

A. Who is Eligible.

The Game is open only to individuals who are residents of the 50 United States or District of Columbia (the “**Territory**”) who are 18 years of age or older on the day of participation and who have completed the Participation Requirements (refer to **Rule 3**). An eligible Participant who is at least 18 years of age but has not reached the age of majority in their state of residence (an “**Eligible Minor**”) may require a parent or legal guardian to claim a prize. The Game is void where prohibited.

Note: If any Participant is determined or reasonably suspected by Sponsor or the Redemption Center (defined below) to be participating or attempting to participate in the Game with more than one McDonald's App account and/or more than one My Game Account registration, that individual may, in Sponsor's sole discretion, be disqualified, have any prizes forfeited (including the cancellation of any prizes automatically added to a McDonald's App account(s) in question) and that individual will be prohibited from any further Game play. They may also, in Sponsor's sole discretion, be prohibited from participating in any future game or other promotion that Sponsor may offer and/or may have their McDonald's App account closed.

B. Who is Not Eligible.

Persons in any of the following categories are **not eligible** to participate in, or to win a prize in, the Game: (a) any person who, on or after April 1, 2026, was or is a director, officer, employee, member, manager or franchisee of Sponsor or its parent, subsidiaries or affiliated companies; (b) any director, officer, employee, representative or agent of any other Game Entity (defined in **Rule 11**) who is or was involved in the development, production or distribution of the Game or materials for or related to this Game (provided that, for clarity, all directors, officers, employees and representatives of the administrator and the Redemption Center (defined below) are ineligible to participate in the Game); (c) any director, officer, employee, representative or agent of any advertising or promotional agencies, service agencies or independent contractors of Sponsor who is or was involved in any way with the development, production or distribution of the Game or materials for or related to this Game; (d) any other individual involved in the development, production or distribution of the Game or materials for or related to this Game or provision of services related to this Game; (e) any person who is or purports to be an immediate family member (defined as spouse, dependent for federal income tax purposes, parent, siblings, children or step-, biological, foster, in-law or adoptive parents, siblings or children of) or who resides or is domiciled in the same household as, any person in any of the preceding categories.

Further Note: Notwithstanding the eligibility restrictions set out above, the directors, officers and employees of a Prize Partner (and any person who is or purports to be an immediate family member (as described immediately above), or who resides or is domiciled in the same household as such person) can participate in the Game but are not eligible to receive and may not claim any prize provided by the Prize Partner for which they work.

C. To be Eligible to Win.

Winning any prize requires that the potential winner of the prize is, and remains, in compliance with these Official Rules. Until a potential winner is verified to be eligible and in compliance with these Official Rules, the potential winner is, and will remain, a potential prize winner, unless the potential winner is disqualified for not complying with the Official Rules and/or not being eligible to participate in the Game (refer to **Rule 10**). Sponsor reserves the right to disqualify any potential winner who Sponsor, in its sole discretion, determines is not permitted by law to receive a prize. Sponsor reserves the right to refrain from conducting any advertising or publicity associated with a winner for any reason.

Rule 3. McDonald's App, McDonald's App Registration, Opt In To MyMcDonald's Rewards And Registration For Game Required.

In order to fully participate in the Game and/or claim any prizes won, eligible Participants must (if not already done): (A) download (or update) the current McDonald's App; (B) register for the App; (C) opt in to the MyMcDonald's Rewards Program; and (D) register for the Game (collectively, the "**Participation**

Requirements”). All of this must be done in advance of placing a qualifying order to earn a bonus Chance Card Game play (defined below) with qualifying purchase.

A. Download the Current McDonald’s App.

Participants can download and install the McDonald’s App on their eligible Mobile Device (refer to **Rule 5**). The McDonald’s App is free. Data rates may apply. Use of the McDonald’s App is subject to the Terms & Conditions for McDonald’s Online Services and the McDonald’s Privacy Statement. Any use of the McDonald’s App in violation of the Terms & Conditions for McDonald’s Online Services may be deemed a violation of these Official Rules.

B. Register for the McDonald’s App.

Once you have downloaded the McDonald’s App, if not already registered, follow the in-app prompts to complete the registration process for the McDonald’s App. You must use an email address that is valid and that you currently have access to, because the email address that you use to register for the McDonald’s App will automatically be used as your email address with respect to the Game. Once registered for the McDonald’s App, your email address cannot be changed (except with regard to designating an email address for receipt of certain prizes) and any prize-related emails will be sent to that email address. **Note: There is a limit of one McDonald’s App account per Participant and one Participant per McDonald’s App account.**

Note: Your McDonald’s App account may be linked to an @privaterelay.appleid.com email address or a functionally similar proxy email address provided by another email masking, relay or alias service (“**Masking Service**”) that is designed to forward emails sent to the proxy email address to your designated destination email address. Tap on the Game tile, go to the menu and click on My Account to verify the email address associated with your McDonald’s App account and My Game Account. Neither Sponsor, nor any other Game Entity, is responsible for any delay or non-receipt of Game-related emails (including, without limitation, prize delivery emails) due to your use of a Masking Service (including, without limitation, misconfiguration or malfunction of such Masking Service) or any filtering by your email service provider for any reason of emails forwarded to your designated email address by your Masking Service.

C. Opt in to MyMcDonald’s Rewards & Deals (“MyMcDonald’s Rewards”).

Opting in to MyMcDonald’s Rewards is free. If not already opted in, to opt in, open the McDonald’s App, click “More” in the bottom menu, then “Profile,” then “MyMcDonald’s Rewards” and then toggle the button to “Opt in to MyMcDonald’s Rewards & Deals”. When you are opted in, the toggle will be set to the “on” position. When you are not opted in, the toggle will be set to the “off” position.

D. Register for the Game.

Navigate to the home screen of the McDonald’s App, click on the Game banner and follow the prompts to create your Game profile (“**My Game Account**”) by providing the required information and agreeing to all applicable terms — including, without limitation, these Official Rules and McDonald’s Privacy Statement; then click the submission button. Your My Game Account will sync with your McDonald’s App account, and each time you return to the McDonald’s App and tap on the Game promotional banner, your My Game Account will be synced with your McDonald’s App account. A record of all played and claimed Game Codes (defined below), if any, will be maintained in your My Game Account.

Rule 4. How To Play.

To play the Game, you will need to obtain one or more official game piece(s) for this Game (“**Game Piece**”) during the Game Period (while supplies last).

A. Obtaining a Game Piece.

(1) Receive a Game Piece by Purchasing an Eligible Menu Item:

An eligible Participant can receive a Game Piece by visiting a participating McDonald’s restaurant in the Territory (or ordering from such a restaurant via delivery) during the Game Period and purchasing one of the following items (each an “**Eligible Menu Item**”), while supplies of specially marked packaging/game piece cards last.

One Game Piece (refer to “D.” of this Rule 4 for types of Game Pieces available) will be affixed to packaging for the following Eligible Menu Items (or provided via a separate game piece card provided with purchase at some restaurants):

- Large Hot McCafé® Beverages (Premium Roast Coffee, Mocha, Latte, Cappuccino, Americano, Macchiato, as well as Hot Tea and Premium Hot Chocolate);
- Large Soft Drinks;
- Large Iced Coffees, Iced Teas, Lemonade and McCafé® Specialty Drinks;
- Large Fries;
- Quarter Pounder® w/ Cheese Sandwich;
- Big Mac® Sandwich;
- 10-Piece Chicken McNuggets® (regular only, not Spicy Chicken McNuggets®);
- 4-Piece McCrispy® Strips;
- Hash Browns;
- Biscuit Sandwiches (excluding limited-time Biscuit Sandwiches); and
- McMuffin® Sandwiches.

These specially marked packages will be available for the Eligible Menu Item during the hours when that menu item is served, while supplies last. The hours during which particular menu items are served vary. Once the supply of specially marked packaging for any item is exhausted, it will not be replenished.

Note: Seasonal and limited-time-only menu items that might otherwise fall into one of the categories above are excluded and do not qualify as an Eligible Menu Item.

Note also: We suggest you check your order to make certain each Eligible Menu Item has a Game Piece before you leave the counter or Drive Thru.

(2) Receive a Game Piece Without Making a Purchase:

You can receive one Game Piece (which also earns you one bonus Chance Card Game play) when you mail in a Request (defined below) in a postage-paid (not metered) outer envelope to: 2026 Monopoly Game at McDonald’s, PO Box 4006, Dept S9851, Grand Rapids, MN 55730-4006. Your Request must be mailed no sooner than September 22, 2026, and must actually be received at the above address no later than November 2, 2026. Within the outer envelope there must be one self-addressed envelope that uses the Participant’s complete mailing address and sufficient return postage (first-class stamp; not metered) (each is a “**Request**”). Vermont residents may omit return postage. Limit one Request per outer envelope. Any additional Requests will not be honored or returned. Both the mailing and return addresses on the exterior envelope must be legible. Any Request that fails in any way to comply with the requirements set

out in this paragraph or that are not mailed separately bearing sufficient, non-metered postage will not be honored. While supplies last, one Game Piece will be mailed in response to each Request that complies with these requirements.

Please Note: When the Participant receives a Game Piece through this method specifically and enters the Game Code from that Game Piece in their My Game Account, they will also get one bonus Chance Card Game play (defined in Rule 4.B. below) deposited in the Participant's My Game Account, that Participant can use to play the Chance Card Game. As described above, the Chance Card Game ends at 11:59:59 p.m. LT on November 8, 2026, and any Game Piece received through this method that is entered into your My Game Account after that time will not result in earning a bonus Chance Card Game play.

B. Get a Bonus Chance Card Game play.

If you have opted in to Rewards and registered for the Game, then, when you purchase an Eligible Menu Item (list in Rule 4.A.(1)) during the Game Period (ends at 11:59:59 p.m. LT on November 1, 2026) and either associate your Rewards code with your order or order using Mobile Order & Pay in the McDonald's App, you will automatically receive one bonus play in the Chance Card Game ("**bonus Chance Card Game play**") in your My Game Account in the McDonald's App for each Eligible Menu Item purchased. Use of the bonus Chance Card Game play is subject to the Daily Limit.

C. Play/Redeem Your Game Pieces/Game Codes.

When a Participant peels a Game Piece, it will reveal one of four types of Game Piece, as detailed in "D." of this Rule 4. To claim what was revealed, the Participant must scan/enter the unique alphanumeric code found on the Game Piece ("**Game Code**") in the McDonald's App (subject to the Daily Limit). To do so, open the McDonald's App, click on the Monopoly banner, then click the "Add Code" button and scan/enter the Game Code from your Game Piece.

As described in Rule 8, potential winners may be required to submit Game Pieces for verification. Please keep your Game Pieces after scanning/entering them in the McDonald's App!

Note: In the event a power outage or similar interruption occurs once you've added a Game Code, check in your My Game Account to see if the Game Code play was received. If it was received and played, you will see the outcome of that Game Play. If there is no record of that Game Code, reenter the Game Code to complete the play.

Tap "My Game Account" to view all of your Game Codes/Game Pieces entered and prizes claimed. Prizes not yet claimed will be found in the Claim Prizes section until November 22, 2026, at 11:59:59 p.m. LT.

D. Game Piece Types.

There are four different types of Game Piece that a Participant could receive. **Note:** The Game Piece should be removed from the packaging as soon as possible.

(1) Food Prize Game Piece: A Game Piece may indicate that a Participant has won a Food Prize (refer to **Rule 6.A.**). In such case, the actual Food Prize will be identified when you scan/enter the Game Code found on that Game Piece in your My Game Account of the McDonald's App. **Note:** Once claimed in the McDonald's App by scanning/entering the Game Code, all Food Prizes are automatically added to and must be redeemed via your McDonald's App Account. (You cannot directly redeem a Food Prize Game Piece for the applicable Food Prize at a restaurant.)

(2) MyMcDonald's Rewards Points Prize Game Piece: A Game Piece may indicate that a Participant has won a MyMcDonald's Rewards Points Prize. Once claimed in the McDonald's App by scanning/entering the Game Code, the MyMcDonald's Rewards Points Prize will be automatically deposited in the Participant's Rewards account in their McDonald's App.

(3) Collect to Win Game Piece: Game Pieces may provide Participants with a Collect to Win Property Piece for a chance to complete a **"Winning Combination,"** which occurs when a single Participant collects and builds one of the following Winning Combinations in their My Game Account:

- Mediterranean Avenue (#901) and Baltic Avenue (#902);
- Oriental Avenue (#903), Vermont Avenue (#904) and Connecticut Avenue (#905);
- St. Charles Place (#906), States Avenue (#907) and Virginia Avenue (#908);
- New York Avenue (#909), Tennessee Avenue (#910) and St. James Place (#911);
- Kentucky Avenue (#912), Indiana Avenue (#913) and Illinois Avenue (#914);
- Atlantic Avenue (#915), Ventnor Avenue (#916) and Marvin Gardens (#917);
- Pacific Avenue (#918), North Carolina Avenue (#919) and Pennsylvania Avenue (#920);
- Park Place (#921) and Boardwalk (#922);
- Reading Railroad (#923), Pennsylvania Railroad (#924), B. & O. Railroad (#925) and Short Line (#926); or
- Water Works (#927) and Electric Company (#928).

A Participant can tap on "My Properties" found in the Game menu of the McDonald's App and on the navigation bar, to see the Collect to Win Property Pieces they have collected. If a Participant collects all of the Collect to Win Property Pieces required to complete a Winning Combination, that Participant is the potential winner of the Collect to Win Prize identified on the applicable Collect to Win Property Piece and described below in these Official Rules, subject to verification of (i) the Collect to Win Property Pieces, (ii) the potential Winning Combination and (iii) the Participant's compliance with these Official Rules. Sponsor will not honor and is not responsible for any combination of Collect to Win Property Pieces that is incomplete or any purported Collect to Win Property Piece which is fraudulent, obtained by impermissible means or otherwise not a genuine, original Collect to Win Property Piece. Upon scanning/entering a Game Code for a Collect to Win Property Piece in the McDonald's App, the Game may present an animation displaying the property collected and its place in the applicable Winning Combination. This animation is for entertainment purposes only and the actual Collect to Win Property Piece you have collected will be as set forth on the Game Piece and within your My Properties list.

(4) Chance Card Game Piece: A Chance Card Game Piece provides a Participant with one play in the digital instant-win Chance Card Game (subject to the Daily Limit and while the Chance Card Game is available). There are 128,118,375 Chance Card Game Pieces available in the Game. The odds of receiving a Chance Card Game Piece are approximately 1 in 5. Once you scan/enter the Game Code from a Chance Card Game Piece, you will immediately be brought into the Chance Card Game flow. However, if you choose not to play at that time, you can find your play in the "Chance section" of the navigation bar or in the Game menu. When you're ready to play the Chance Card Game, open your McDonald's App, click on the Monopoly banner, navigate to "CHANCE" in either the menu or navigation bar. You will be presented with an animation depicting a game of chance. Click on the "Chance Card Game Play" animation to begin play. You may also choose to play your Chance Card Game play later, at any point before November 8, 2026, at 11:59:59 p.m. LT, subject to the Daily Limit. The outcome of the Chance Card Game play is dependent on the time at which you click on the selected animation to begin your Chance Card Game play and – if you are a winner – you will be awarded the Chance Card Game Prize that was seeded for the time when you selected to play; or, if applicable, you will instead be awarded a Chance Card Game Prize that (i) was seeded in advance of the time when you selected play and (ii) remains unawarded as of the

time you selected play. If you are not a winner for a given Chance Card Game play, you will be presented with a screen at the end of the gameplay animation indicating as much.

E. Daily Limit:

As described in **Rule 1**, there is a maximum of eight Game Code entries and eight Chance Card Game plays per Day (based on ET).

F. No Account Sharing; No Unauthorized Transfer of Game Materials:

You may not use more than one McDonald's App account to participate in the Game; you may not participate in the Game using someone else's McDonald's App account (even if you are otherwise eligible); and you may not share or permit another person to use your McDonald's App account (on their own or in concert with you) to participate in the Game (even if they are otherwise eligible).

The legal name of any individual making any prize or other Game-related claim must match the name provided when registering for the applicable My Game Account in the McDonald's App. Any change or inconsistency is subject to review. Sponsor may request supporting documentation, including copies of a government-issued ID or other identifying documents, to confirm that the registration of a My Game Account is the same individual claiming any prize won through such account, as well as such Participant's eligibility to participate in the Game.

In the event that Sponsor or the Redemption Center determines or reasonably suspects that any Participant has violated any of the above restrictions, violated any other provision of these Official Rules, attempted to participate in the Game in excess of the Daily Limits established herein or otherwise acted in a fraudulent or deceptive manner in an effort to obtain a prize, that Participant – and any other party benefiting from that Participant's actions – may be disqualified, may have any prize won forfeited and may be prohibited from participating in any future game or promotion offered by Sponsor.

Any transfer, whether by way of sale, loan, gift, handover or any other manner whatsoever, of any Game materials, including without limitation, a Game Piece or Game Code or access to a My Game Account ("**Game Materials**"), by an ineligible person to an eligible person is strictly prohibited. Transfer may be permitted between eligible Participants solely as follows: (i) Except an Instant Win Prize that automatically deposits in the Rewards & Deals section of the Participant's McDonald's App account, any prize potentially won by an Eligible Minor must be claimed by that Participant's parent/legal guardian on the Eligible Minor's behalf; or (ii) if a Participant who is the potential winner of a prize wishes to transfer the prize or the related potential winning Game Piece, or potential Winning Combination, as the case may be, to another person, subject to these Official Rules, that transfer must be authorized expressly in writing by Sponsor's redemption center for this Game ("**Redemption Center**") **before the transfer is made**, and such authorization may be granted or withheld in Sponsor's sole discretion. A Participant must make any request for such authorization in writing, must sign that request and must mail the written and signed request along with their Game Materials when submitted to the Redemption Center. You may not claim a prize in someone else's name or allow any other person to claim a prize won through your McDonald's App account.

Rule 5. How To Download And Manage The McDonald's App: Device Requirements; Deleting An Account.

A. Device Requirements:

To participate in the Game, you must have a **“Mobile Device”** which is a qualifying iOS or Android Device that is capable of running the latest version of the McDonald’s App.

You must have the latest version of the McDonald’s App for Android and/or iOS installed on your Mobile Device. In the App Store, compatibility requires iOS 15.0 or later. In Google Play, compatibility requires Android 9.0 or later. Compatibility is subject to change. Please refer to current compatibility under the information details for the McDonald’s App in the App Store and Google Play.

Using a screen resolution lower than **360px** wide may result in a Participant not being able to participate in the Game.

While all efforts are made to support current operating systems and devices, new operating systems and devices may not be supported if brought to market after the development of the Game. Sponsor is not responsible for any operating system or device supporting issues.

B. Deleted Accounts:

Your McDonald’s App account is your identifier for the Game. If you delete your McDonald’s App account during the Game, you will lose all access to your McDonald’s App account and My Game Account, including but not limited to your Game Play, your Collect to Win Property Piece tracking, any prizes awarded and not redeemed and any banked plays for the Chance Card Game, and any of the foregoing cannot be recovered.

I. Prize Verification/Notification: In addition to other Game Materials required by these Official Rules, in order for a Participant to validly claim a prize, in its sole discretion, the Redemption Center may ask a Participant to provide further documentation during the verification process. The nature and extent of such documentation shall be at the sole discretion of the Redemption Center for the purposes, among other things, of confirming the Participant's identity, their eligibility and their compliance with these Official Rules. Without limitation, that documentation may involve proof of employment history to confirm eligibility and/or a form of government-issued photo identification (e.g., valid driver's license). A potential prize winner may be requested to consent to a confidential background check, conducted by or through the Redemption Center, to help the Sponsor ensure that the Sponsor's use of such Participant in advertising or publicity will not bring the Sponsor or a Prize Partner into public disrepute, contempt, scandal or ridicule or reflect unfavourably on the Game or the Sponsor or on a Prize Partner. Sponsor reserves the right to refrain from conducting any advertising or publicity associated with any winner for any reason.

Game Materials sent by a Participant to the Redemption Center will be reviewed by the Redemption Center to verify the Participant's compliance with the Official Rules and to verify that the Participant is making a valid prize claim. Rule 9. Prize Conditions/Limitations/Restrictions.

Rule 9.A. and 9.B., below, provide additional terms, conditions, requirements and details applicable to particular prizes or prize types. These Rules are in addition to—and not in limitation of—any other provisions of these Official Rules that apply to such prizes.

A. Travel Prizes:

Except where the description in these Official Rules expressly specifies otherwise, travel and other prize arrangements will be determined by Sponsor or Prize Partner (where applicable) in their discretion. Prize winner and guest(s) must travel together on the same itinerary and are solely responsible for having (and producing if/as required) any necessary travel-related documents (including valid government-issued photo ID and/or any required passport or visa and/or any properly completed and sworn parental consent form or forms) prior to departure, as well as fulfilling any/all travel and security requirements (including but not limited to any shots, medical tests or other health requirements necessary to visit certain destinations and any quarantine requirements that may be required). Each guest will be required to execute a guest release prior to the issue of any travel documents. Sponsor or the applicable Prize Partner may or may not (in their sole discretion) permit winner’s guest to be a minor for a particular prize. In the event a minor guest is permitted to participate as a guest on a prize trip or event, guest release must be executed by the minor’s parent or legal guardian. Any and all costs/fees (including, but not limited to, departure taxes or fees, inspection charges, luggage fees and the costs of transportation between winner’s home and departure airport) and expenses not expressly stated as being included in the prize description are the sole responsibility of the prize winner. Any difference between the approximate retail value and the actual value of the prize will not be awarded and any difference will not be refunded. No insurance whatsoever is provided as part of the prize or furnished by the Sponsor or Prize Partner, and obtaining any insurance, such as (but not limited to) travel insurance, cancellation insurance, trip delay, health, accident or medical insurance, and property or luggage loss or other damage insurance is the sole responsibility of the prize winner and at the sole cost of the prize winner and that prize winner’s guest(s). Air travel (if provided as part of the prize) will be round-trip (originate from and end at the same airport), economy-class from and to an airport selected by Prize Partner. Reservations must be made and tickets issued prior to travel. Tickets may not be reissued once travel has commenced. Open tickets may not be issued, and stopovers are not permitted. Sponsor or Prize Partner(s) reserve the right in their respective sole discretion to designate all flight/travel particulars and route or routes (as the case may be). Flight schedules are subject to change without notice. No Game Entities will be liable for any missed opportunities or expenses incurred as a consequence of flight cancellation/travel restrictions/delay or ground transportation delay. Sponsor and/or Prize Partner make no express or implied warranties of any kind with respect to safety, or performance, of the trip/travel services package or any component thereof. If a winner (and/or the winner’s guest(s)) is/are not able to participate in any portion of a travel prize for any reason (including, without limitation, inability or unwillingness to travel on Sponsor/Prize Partner required dates and times), that prize (or the unused portion thereof) may be forfeited and will not be substituted for cash or in any other way. Hotel accommodations, if provided as

part of a travel prize, will be at a hotel selected by Sponsor or Prize Partner in its sole discretion. Prize winners may be required to provide a current valid major credit card at time of hotel check-in to cover incidentals, and any and all costs, fees and expenses not expressly stated as being included in the Prize description. Restrictions and/or blackout dates may apply to some travel Prizes. Once a winner has identified a guest in accordance with the provisions of these Official Rules, that guest cannot be changed without the express consent of Sponsor and/or Prize Partner, which consent may be withheld for any reason. Each travel prize winner (and in consideration of being permitted by the Sponsor to participate in the travel prize, each guest) agrees to maintain their dress, behavior and comportment in accordance with all applicable laws and generally accepted social practices in connection with the travel related to the travel prize and in connection with participation in any prize-related event or activity. Travel prize winners and their guest(s) understand and agree that the Sponsor and, when applicable, Prize Partner has/have the right, in its/their sole discretion, to disqualify and remove a prize winner or any guest from any travel at any time if that winner or guest's behavior at any point is uncooperative, disruptive or may or does cause damage to person, property or the reputation of the Sponsor, Prize Partner and/or any third party, or otherwise violates the policies of the Sponsor, Prize Partner or both. The prize winner is entirely and solely responsible for the behavior and comportment of their guest(s). Event/admission tickets provided as part of the Prize, if any, may be subject to their own additional terms and conditions imposed by the issuer, event organizer and/or venue operator, all as set forth on the ticket or materials provided with the ticket.

If a travel prize includes airfare, but the winner of such prize resides within one hundred and fifty miles of the prize destination, Sponsor or Prize Partner may—in its sole discretion—substitute ground transportation or a reasonable stipend to offset the cost of ground transportation in lieu of airfare and, in such case, airfare will not be awarded and winner will not receive the difference in cost between the portion of the ARV allotted for airfare and the actual cost of ground transport or the ground-transportation stipend.

Note: No travel Prize winner or any of their guest(s) may sell, transfer or dispose of any part of any travel Prize to any other person without the Sponsor's and/or Prize Partner's prior written consent which may be withheld in their sole discretion.

Without limiting any other provision of these Official Rules:

- Any and all costs and expenses applicable to the acceptance, possession or use of any prize that are not expressly identified in the applicable prize description in these Official Rules as included as part of that prize are the sole responsibility of the winner of that prize; and
- All taxes (including, without limitation, federal, state and/or local income taxes and/or sales tax) on or connected with any prize, and the reporting consequences thereof, are solely the responsibility of each winner. If required by law, Sponsor and the applicable Prize Partner reserve the right to report the value of any prize received by a winner and to withhold and remit to the appropriate taxing authorities the amount of any taxes due.
- The taxable income reported for a winner will be the prize ARV stated in these Official Rules, regardless of the fact that the prize value may vary (including, without limitation, based on location of a winner and/or the passage of time between the printing of these Official Rules and awarding of the prize). For travel prizes, taxable income reported for a winner will be the actual value of air travel if the actual air travel cost is lower than in the stated ARV for the prize. For a vehicle, the Prize consists of the vehicle itself and not the stated ARV or actual value of the vehicle.

All details, specifications and other restrictions related to any prize that are not expressly set forth in these Official Rules will be determined by Sponsor or Prize Partner, as applicable, and in each's sole discretion. If, for any reason, a verified prize winner cannot or does not accept a prize as described in these Official Rules, then that prize will be forfeited in its entirety, the prize will not be awarded in the Game and the verified prize winner will not have any claim against the Game Entities or against any other person, firm or corporation in respect of the applicable prize or the Game, or any matter related to the Game. If any part of any Game Piece or Game Code is counterfeited, generated via any parties or means other than the Game Entities, illegible, mutilated or tampered with in any way; if it contains or reflects printing, typographical, mechanical or other errors or discrepancies; or if it comes from other games or promotions, the Game Piece or Game Code contained on any of same, as applicable, will be deemed void. The sole responsibility and liability for any invalid or irregular Game Code or Game Piece (in circumstances where the Participant holding such Game Code or Game Piece is not suspected of fraud, counterfeiting or other misdeed) is replacement with another randomly selected Game Code or Game Piece while supplies last.

Replacement shall be the sole and exclusive remedy under such circumstances. Any actual or attempted participation in excess of the limits stated herein or otherwise in violation of these Official Rules – including, without limitation, by providing multiple sets of or false contact information (e.g., participating under false or assumed names or multiple variations of a name used by a single individual), falsifying any address information (e.g., providing a non-residential address as Participant’s home address or identifying in an address provided any dwelling unit that does not actually exist at such location, such as falsely identifying a single-family residence as a multi-unit dwelling), attempting to claim a prize won by another Participant through a My Game Account that is not your own (except for a parent/legal guardian claiming a prize in place of an Eligible Minor as expressly permitted in these Official Rules), attempting for another person or permitting another person to attempt to claim a prize won through your My Game Account, or sharing a user account or registering for multiple user accounts (whether McDonald’s App accounts or My Game Accounts) – are void and any Participant who engages in or benefits from any such prohibited activity or who Sponsor reasonably suspects may be affiliated or acting in concert with a Participant engaging in such prohibited activity may, in Sponsor’s sole discretion, be disqualified, any prize(s) purportedly won forfeited, any and all My Game Accounts associated with such persons closed without further obligation or liability, and all such persons may be prohibited from participating in any future Sponsor promotion. Each Participant acknowledges and agrees that the decisions of Sponsor shall be final, binding and conclusive in all matters relating to the Game, including, without limitation, determinations regarding the validity of Game Pieces, Game Codes and other prize claim documents submitted for verification. Only original Game Pieces with “2026 U.S. Monopoly” artwork distributed in the Territory will be accepted for verification. Any person attempting to forge prize claim documents or defraud McDonald’s or any of the Game Entities (refer to **Rule 11**) in any way in connection with this Game may be disqualified, forfeit any claim to any purportedly won prize, and/or be prosecuted to the fullest extent permitted under the law. In the event of a dispute as to the identity of any Participant, the Game Play or prize claim in question will be deemed submitted by the authorized account holder of the email account for the email address provided at the time of My Game Account creation, provided that person is eligible to participate in this Game. The authorized account holder for an email account shall be the natural person to whom the applicable email address has been assigned by the Internet access provider, service provider or other online organization responsible for assigning email addresses for the domain associated with the submitted email address. Rule 13. Miscellaneous.

A. Disqualification: It is solely the Participant's responsibility to ensure that they have complied in full with all conditions, limitations and requirements contained in these Official Rules. If any potential winner is found to be ineligible, or if they have not complied with these Official Rules, or declines a prize for any reason prior to award, such potential winner will be disqualified, may be prohibited from further participation and the prize forfeited. Any attempted participation outside of the Entry Period or attempts to participate in excess of the limits stated herein or otherwise in contravention to these Official Rules (including, without limitation, by (i) providing multiple sets of contact information; (ii) providing false contact information, including without limitation, registering a McDonald's App account or My Game Account or claiming a prize under a false name or on behalf of any person other than yourself (except for a parent/legal guardian claiming a prize for an Eligible Minor as expressly permitted in these Official Rules) or using a fictitious address (either in that it is not actually Participant's own residential address or in that it is not a legitimate address at all); (iii) registering for multiple user accounts (whether McDonald's App account or My Game Account); or (iv) sharing a My Game Account or McDonald's App account or otherwise consolidating Game Pieces obtained by multiple Participants into a single My Game Account) are void. Transfer of Game Pieces, Game Codes, prize claims or any other Game element – other than as expressly permitted by and in accordance with these Official Rules – is prohibited and any Participant engaging or attempting to engage in such conduct will be disqualified and any prize(s) won forfeited. Sponsor reserves the right in its sole discretion to disqualify any individual who is found to be tampering with the entry/play process or the operation of the Game; to be acting in violation of these Official Rules, including, without limitation, acting in any way which, in Sponsor's sole discretion, constitutes an attempt to circumvent any restrictions, limits on play or other requirements in these Official Rules or to obtain a prize by deceptive or fraudulent means; or to be acting in an unsportsmanlike or disruptive manner, or with the intent to disrupt or undermine the legitimate operation of the Game, or to annoy, abuse, threaten or harass any other person. The Sponsor reserves the right to seek damages and other remedies (including attorneys' fees) from any such person to the fullest extent permitted by law.

B. Force Majeure/Printing and Production Errors: Sponsor reserves the right, without prior notice and at any time, to terminate the Game, in whole or in part, or modify, suspend or extend the Game or Game Materials in any way, if it determines in its sole discretion, that a Game Piece(s), Game Code(s), Game Materials and/or prize claim documents reflect printing or other errors or if it determines, in its sole discretion, that the Game is impaired or corrupted or that fraud or technical problems, failures, malfunctions or errors (including, without limitation, computer viruses or other deleterious programs or materials, glitches or printing or production errors) have destroyed or severely undermined the proper play, integrity and/or feasibility of the Game. In the event Sponsor is prevented from continuing with the Game as contemplated herein by any event beyond its control, including but not limited to fire, flood, natural or man-made health epidemic, earthquake, explosion, labor dispute or strike, act of God or public enemy, satellite or equipment failure, riot or civil disturbance, terrorist threat or activity, war (declared or

undeclared) or any federal, state or local government law, order or regulation, public health crisis, order of any court or jurisdiction, or other cause not reasonably within Sponsor's control, then subject to any governmental approval which may be required, Sponsor shall have the right to modify, suspend, extend or terminate the Game. Only the type and quantity of prizes described in these Official Rules will be awarded. If, due to printing, digital, computer programming, hardware or software, or production errors or for any reason, more potential winners in any prize category come forward seeking to claim prizes in excess of the number of each type of prize as set forth in these Official Rules (or multiple potential winners seek to claim a single prize in the Chance Card Game) the winners, or remaining winners, as the case may be, of the advertised number of prizes available in the prize category in question (or a single winner for the one applicable prize in the Chance Card Game) may be selected in a random drawing from among all persons making purportedly valid claims for such prize(s) in that prize category. Inclusion in such drawing shall be each Participant's sole and exclusive remedy under such circumstances, and no more than the stated number of prizes will be awarded.

C. Invalidity: The invalidity or unenforceability of any provision of these Official Rules shall not affect the validity or enforceability of any other provision. In the event that any provision is determined to be invalid or otherwise unenforceable or illegal, these Official Rules shall otherwise remain in effect and shall be construed in accordance with their terms as if the invalid or illegal provision were not contained herein. Headings and captions are used in these Official Rules solely for ease of reference and shall not be deemed to affect in any manner the meaning or intent of these Official Rules or any provision hereof. These Official Rules cannot be modified or amended in any way except in writing by a duly authorized representative of Sponsor. McDonald's restaurant employees or franchisees are not authorized to modify or amend these Official Rules.

D. Governing Law: Subject to any provision expressly to the contrary in these Official Rules, all issues and questions concerning the construction, validity, interpretation and enforceability of these Official Rules or the rights and obligations as between Participant and the Game Entities (except Universal) in connection with the Game shall be governed by and construed in accordance with the internal laws of the State of Illinois including procedural provisions without giving effect to any choice of law or conflict of law rules or provisions that would cause the application of any other state's or jurisdiction's laws.

E. Language Discrepancy: In the event there is a discrepancy or inconsistency between the English language version and the Spanish language version of these Official Rules, or any Game Materials, the English version shall prevail, govern and control.

F. Privacy: Except as otherwise contemplated in these Official Rules, Participants' contact information collected by Sponsor in connection with the Game will be used by Sponsor in accordance with the Sponsor's Privacy Statement.

Rule 14. Arbitration.

By participating in this Game, each Participant agrees that:

(1) any claim, dispute (whether in contract, tort or otherwise) that McDonald's may have with you, or that you may have with McDonald's or any member of the McDonald's system (which, for these purposes, includes the Game Entities excluding Universal), arising from or related to the Game, the awarding or redemption of prizes, or the determination of the scope or applicability of this agreement to arbitrate, will be resolved exclusively by final and binding arbitration by the American Arbitration Association ("AAA")

and conducted before a single arbitrator using the AAA's Consumer Arbitration Rules and, if applicable, its Mass Arbitration Supplementary Rules ("**Rules and Procedures**");

(2) this arbitration agreement is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act ("**FAA**"), 9 U.S.C. §§ 1-16;

(3) prior to you or McDonald's initiating arbitration by filing a Demand for Arbitration with the AAA, you and McDonald's will engage in the informal dispute resolution process outlined in this paragraph. First, the party interested in pursuing a dispute related to the online services must give written notice to the other party of the party's intent to initiate an informal dispute resolution conference (the "**Notice**"). The Notice shall contain: (1) the initiating party's name; (2) the initiating party's mailing address, email address and phone number; (3) a description of the nature of the basis for the dispute; and (4) the specific relief sought. If you are the initiating party, the Notice must be sent via email to:

McDonaldsInformalDisputeResolution@us.mcd.com. **Do not use this email address for general inquiries regarding the Game. For general inquiries regarding the Game, please use the Contact Us form found at the end of the Game FAQs in the McDonald's App from Oct. 6 – Nov. 22, 2026, or at the end of the FAQs at playatmcd.com from Nov. 23, 2026 – Jan. 31, 2027.** Second, within 60 days of the non-initiating party's receipt of the Notice, or at a later date if you and McDonald's mutually agree to enlarge the 60-day period, the parties shall make a good-faith attempt to resolve their dispute by participating in a live telephone call or videoconference. If you are represented by counsel, your attorney(s) may participate in the dispute resolution conference, but you must be present and must participate in the conference as well. Engaging in this informal dispute resolution process is a prerequisite to commencing arbitration. Any applicable statute of limitations period and all arbitration filing fee deadlines shall be tolled from the date that a fully complete Notice is received by the other party, to and including the date the dispute resolution conference is held;

(4) if, during the informal dispute resolution process described in subpart 3 above, McDonald's makes a written offer to resolve the parties' dispute pursuant to which McDonald's will provide all the relief sought in your Notice, including paying you the full amount of your alleged damages set forth therein, you understand that an Arbitrator will have the right to award arbitration fees against you should the Arbitrator decide that you were unreasonable in continuing to pursue the matter despite McDonald's offer;

(5) if, following the informal dispute resolution process described in subpart 3 above, either you or McDonald's decides to file a Demand for Arbitration with the AAA, the demand must include: (1) the name and contact information of the party initiating arbitration; (2) the legal claims being asserted; (3) a detailed explanation of the factual basis for those claims; and (4) a detailed explanation of both the nature and the amount of the relief sought. Filing a demand that does not include the above information may result in the rejection of your Demand for Arbitration;

(6) the arbitration shall be held at a location determined by the AAA under its rules and procedures (provided such location is reasonably convenient to you) or at such other location as may be mutually agreed to by you and McDonald's or other members of the McDonald's system;

(7) the arbitrator's decision shall be based on these terms and any of the other agreements referenced herein that you may have entered into in connection with the online services;

(8) unless doing so would violate applicable law, the arbitrator shall apply Illinois law consistent with the FAA, and applicable statutes of limitations, and shall honor claims of privilege recognized at law;

(9) no claims shall be arbitrated on a class or representative basis as you and McDonald's hereby waive the right to assert claims in any class or representative action; arbitration will therefore only decide the individual claims of you and McDonald's; it is agreed that the arbitrator may not consolidate or join the claims of any other person or party to an arbitration between you and McDonald's under this provision;

(10) you and McDonald's empower the arbitrator with the exclusive authority to resolve any dispute relating to the interpretation, applicability or enforceability of these terms or formation of this contract, including the arbitrability of any dispute and any claim that all or any part of these terms are void or voidable;

(11) in the event that the administrative fees, arbitrator fees and filing fees associated with the arbitration exceed \$225 USD, McDonald's agrees to pay any such administrative, arbitrator and filing fees exceeding \$225 on your behalf, subject to ultimate allocation by the arbitrator. If you can demonstrate that the cost of initiating your claims in a court of law would be less than \$225, McDonald's will pay the portion of the administrative, arbitrator and filing fees that exceed the demonstrated cost of initiating your claims in court. In addition, if you can demonstrate that the costs of arbitration will be prohibitive as compared to the costs of litigation, McDonald's will pay as much of your fees in connection with the arbitration as the arbitrator deems necessary to prevent the arbitration from being cost-prohibitive;

(12) if more than 1,000 arbitration demands are filed against McDonald's relating to substantially the same business decision or underlying facts by individuals who followed the procedures set forth in subparts 3 and 5 above and are represented by the same counsel or coordinated counsel, and if no substantive ruling has been made in an arbitration between you and McDonald's relating to that decision or those facts, then both you and McDonald's have the unilateral right to opt out of this arbitration provision and have your dispute heard in state court in DuPage County, Illinois, or in the United States District Court for the Northern District of Illinois by sending a written notice to the other party; and

(13) with the exception of subparts 9 and 12 above, if any part of this arbitration provision is deemed to be invalid, unenforceable or illegal, then the balance of this arbitration provision shall remain in effect and shall be construed in accordance with its terms as if the invalid, unenforceable or illegal provision were not contained herein. If, however, either or both of subparts 9 and 12 above are found to be invalid, unenforceable or illegal, then the entirety of this arbitration provision shall be null and void, and neither McDonald's nor you shall be entitled to arbitrate their dispute. In such event, you agree to bring any and all claims arising out of or related to these terms or the online services in either the state courts of DuPage County, Illinois, or the United States District Court for the Northern District of Illinois. If litigation ensues for any reason, both you and McDonald's agree to waive any right to a trial by jury. Further, notwithstanding any other language in this arbitration provision, neither you nor McDonald's shall be precluded from seeking remedies in small claims court for disputes or claims within the scope of its jurisdiction. Finally, this arbitration provision is reciprocally binding on all parties, such that both you and McDonald's are required to arbitrate their claims against one another. For more information on the AAA and its rules and procedures, you may visit the [AAA Website](#).
